Proceedings of the Madras Government, Public Works Department,
22nd February 1864.

No. 444. Read the following letter from R. W. LODWICK, Esq., Civil Paymaster, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Fort Saint George, 15th February 1864, No. 39:—

SIR,

1. I have the honor with reference to Government Order No. 418, dated 11th instant, to point out that though it is impossible as mentioned in my letter of 11th ultimo, No. 2, for this Office to pass the charge for the four Lascars (a temporary Establishment) against savings accrued from gazetted appointments, the charge can be met from savings in contingencies, as it is expected that a large amount of the Rupees 1,200 provided for that purpose in the Budget of the Consulting Engineer for the Irrigation and Canal Company will be unexpended. Bills to the extent of only Rupees 213-3-6 having been passed against it to this date, I request that orders may be issued accordingly.

2. At the same time I have the honor to point out that the employment of the Lascars has not been sanctioned by the Government of India in letter of 4th ultimo, No. 31, and that it will require to be included again in the statement of fresh charges.

No. 445. ORDER THEREON, 22nd February 1864, No. 525.

The recommendation contained in paragraph 1 is approved.
