*Proceedings of the Madras Government, Revenue Department,
25th February 1864.*

No. 350. Read the following Proceedings of the Board of Revenue, dated 19th February 1864 :—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated Negapatam, 13th February 1864, No. 42.

Sir,

1. With reference to the Proceedings of the Board of Revenue, under date the 9th instant, I have the honor to state that the balance of the 1,000 Garce intended to be shipped from Vedaraniem to the stores at this station is *not* being supplied, and for the reason that the shipment of that already brought was attended with much wastage as well as expense.

2. The shipment ceased with the gale which took place on the 20th October, and as the wind and current are still strong from the northward, and further as the manufacture here is being vigorously pushed on, I am not of opinion that any advantage would at present be gained by resuming the shipment of Salt from Vedaraniem.

1. As the wind has now apparently set in steadily from the south, the Board request the Collector to complete the shipment of Vedaraniem Salt to Negapatam as sanctioned by Government, it being very necessary to replenish the stores at the latter place with the least possible delay, and as the Board are anxious to bring the Vedaraniem Salt into the market to the fullest possible extent.

2. No time should be lost in carrying out these instructions.

No. 351.

ORDER THEREON, 25th February 1864, No. 338.

Ordered to be recorded,
