Proceedings of the Madras Government, Financial Department, 5th March 1864.

No. 11. Read the following letter from R. W. LODWICK, Esq., Civil Paymaster, Fort Saint George; to the Chief Secretary to Government of Madras, Public Department, Fort Saint George, dated 29th February 1864, No. 51.

I have the honor, with reference to Government Order, No. 130, dated 23rd February 1864, to bring to the notice of His Excellency the Governor in Council that the Acting Accountant General considers himself precluded from supplying me with a type stamp of the form referred to in my letter to Government.

2. As the Accountant General has the portion of the Press Department which belongs to this office under him, I considered that my demand for the supply of a type stamp would be complied with as a matter of course, inasmuch as I have a right to claim it on the ground that were the Press in my own office, the stamp would have been made up here immediately.

3. The accompanying paper* however will show that Mr. Lushington declines to comply with my request, and as he has since written me demi-officially to say that he thinks he has no authority to let types go out of the office, I have no resource but to apply to Government.

* NOTE.—The form adopted is the usual one in sending proofs to the Press Department in the Accountant General's Office.

4. I regret being obliged to trouble His Excellency in Council on so trifling a matter, but the cost of making up a stamp elsewhere will be so great that I think Government should not be put to the expense unnecessarily.

No. 12. ORDER THEREON, 5th March 1864, No. 152.

The Governor in Council has no objection to a type stamp being supplied to the Civil Paymaster's office from the Press attached to the Accountant General's office, if it can be spared; due care being taken for the security of the type.
