*Proceedings of the Madras Government, Financial Department,
10th March 1864.*

No. 32. Read the following letter from E. H. LUSHINGTON, Esq., Secretary to the Government of India; to the Deputy Auditor and Accountant General, Madras, dated Fort William, the 22nd February 1864, No. 992.

With reference to your letter, No. 3369, dated the 29th ultimo, I am directed to state that the receipts and charges of the Jungle Conservancy Fund should be shown in the Budget Estimate of the Madras Government under I 2 and BI 1 respectively.

2. The receipts and charges of those Funds which are really local may, for administrative or account purposes, be merged in a "District Conservancy Fund," but they should be separately shown in the Annual Estimates and Accounts required to be furnished to the Supreme Government by the Circular of this Department, No. 4559, dated the 18th September last. The term "Ferry Funds" in the Public Works Accounts seems inapplicable as a general term for the Madras Local Funds.

Copy sent to the Government of Madras, with a request that necessary steps may be taken for giving effect to the directions contained therein.
