Proceedings of the Madras Government, Financial Department,
16th March 1864.

No. 49. Read the following letter from J. L. LUSHINGTON, Esq., Acting Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 8th March 1864, No. 420.

Book and Adjustment Department,
General Treasury Branch.

I have the honor to state that the Acting Superintendent of Stamps has forwarded to this office a parcel containing paid off Asiatic Bank Notes—*Vide* copy of his letter No. 1246, dated 26th February 1864, enclosed as particulars Memorandum annexed.

2. No information is traceable regarding the said Notes in the books of this office, nor of the Bank itself. I request the instructions of Government as to their disposal.

3. I beg to enclose a specimen Note of each value for inspection, and suggest that all the Notes be destroyed.

From J. MACKEY, Esq., Acting Superintendent of Stamps; to J. L. LUSHINGTON, Esq., Acting Accountant General, Fort Saint George, dated Madras, 26th February 1864, No. 1246 of F. 1273.

I have the honor to forward herewith a parcel containing old Government Bank Notes, found in the drawer of the writing table used by the Honorable R. S. Ellis, C. B., formerly of this office. As Mr. Ellis was appointed to examine the Treasury records after that Institution was abolished, it is probable that the Notes were then put aside by him and forgotten. I beg to know what is to be done with these Notes.

Acting 1st Asst. Accountant General.
