MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Acting Accountant General, Fort Saint George, 4th March 1864, *No.* 416; *to the Secretary to Government, Military Department.*

Before forwarding to the Mint the sixty-six Silver Medals, in compliance with the Order of Government, No. 732, dated 2nd March, I have the honor to observe that on opening the sealed bag which contained the Medals for the purpose of having them counted, I find that each Medal bears the name of no doubt the person for whom it was originally intended, I enclose a List of the names, and beg to ask if under these circumstances, it is still the wish of Government to have the Medals broken up and converted into Bullion.

2. The relatives of the individuals referred to, will no doubt be glad to have these Medals, as relics, presuming that there is any probability of discovering where the aforesaid relatives reside.

List of remaining China Medals received from the Adjutant General, and deposited with the Sub-Treasurer, as per Order of Government in the Military Department, No. 4272, *dated 2nd December* 1859, *and transferred to the Accountant General.*

ACCOUNTANT GENERAL'S OFFICE,
FORT ST. GEORGE, *4th March* 1864.

(Signed) J. L. LUSHINGTON,
Acting Accountant General.

Referred to the Commander-in-Chief, (Adjutant General's Department.)
7th March 1864.

From the Adjutant General, Fort Saint George, 10th March 1864, No. 183; to the Secretary to Government, Military Department.

With reference to letter from the Accountant General, dated 4th instant, No. 416, referred to this Department on the 7th idem, I have the honor, by order of the Commander-in-Chief, to state for the information of His Excellency the Governor in Council, that 866 Medals were sent from this Office to the late Sub-Treasurer to Government, as reported in letter from this Department to your address, dated 30th June 1860, No. 614.

2. The Government Order thereon (No. 2474 of 6th July 1860) directed that 66 of these Medals should be retained to meet any chance application, but the remainder were to go to the Mint as Bullion.

3. It is not known, what guided the Sub-Treasurer in setting aside those particular 66 Medals, with the Native names, given in the Accountant General's letter; but as all claims to the whole of these old China Medals were finally closed by Government on the 30th June 1860, (*vide* G. O. G., 3rd December 1859) and as, up to this date, no relatives or others have made any application regarding them, it appears to this Department that they might be sent to the Mint and melted as Bullion.

ORDER, No. 915, *16th March* 1864.

Ordered that the Medals in question, be at once transferred to the Mint, to be appropriated as Bullion.

(True Extract.)

Secretary to Government.

To the Accountant General.

" Financial Department.
" Mint Master.
