Proceedings of the Madras Government, Financial Department, 3*rd May* 1864.

No. 9. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Right Honorable the Governor General of India in Council, dated India Office, London, 9th February 1864, No. 14.

Mr. W. B. Jones of the Bengal Civil Service has reported his arrival in England, and he states that, he has forwarded his furlough Certificate to the "Auditor of India Accounts" under instructions to that effect which he received from the Under Secretary to the Government of India.

2. Such instructions, if really given, are manifestly erroneous. It can hardly be necessary for me to remind you that the Auditor of Accounts of the Secretary of State in Council is not on the establishment of the India Office.

3. I have, therefore, to request that, in future, Officers may be directed to send their furlough Certificates and similar documents to the Under Secretary of State for India, at the same time that they report their arrival in this country.

No. 1554.

ORDER.—Ordered, that a copy of the above Despatch be forwarded to the Home Department and to the several Local Governments, for information and for the issue of the necessary orders.

Secretary to the Government of India.
