FORT WILLIAM, FINANCIAL DEPARTMENT, THE 15TH APRIL 1864, No. 2016.

RESOLUTION.—The one per cent. rate, and the subsequent modification thereof which had to be appropriated from the Income Tax in aid of Local Works, was, during the three years 1861-62, 1862-63 and 1863-64, allowed to the extent of Rupees 38,00,000 a year, but the further grant of a like amount for 1864-65, would cause the aggregate of the four advances to exceed the amount really available for appropriation as the proceeds of that assignment from the Income Tax. The Governor General in Council is accordingly pleased to limit the appropriation for 1864-65 to 25,00,000 Rupees as per margin, subject to future adjustment on the account of actual collections for 1864-65 being made up.
