No. 11. ORDER THEREON, 8th June 1864, No. 304.

The erratum submitted for publication by the Civil Paymaster, in the second of the letters above recorded, has drawn the attention of Government to Mr. Lodwick's original report of the attainment of rank by Civilians which was inadvertently accepted as correct and published in the Gazette of the 25th ultimo.

It was ordered by that Resolution that the Bombay practice, viz., the reckoning of "rank from the date of arrival of the first Civil Servant of a batch appointed in one season," should be made general ; and it is directly at variance with this practice therefore that Civilians *appointed* in the same season* should be declared to attain rank on different dates.
