Proceedings of the Madras Government, Financial Department, 14*th June* 1864.

No. 27. Read the following letter from E. H. LUSHINGTON, Esq., Secretary to the Government of India; to the Chief Secretary to the Government of Fort Saint George, dated Simla, 26th May 1864, No. 408.

In reply to your letter, No. 224, dated 19th April 1864, I am directed to state that although in the Budget Estimates the salaries of Judges are shown in detail of Districts, yet the Budget grant is not separately for each District, but for the total of Judges' salaries for the Presidency, and that this view holds in regard to the salaries of all gazetted officers who are transferable in the same class of appointments from one District to another, such as Collectors, Sub-Collectors, &c.

2. The deficiency of Budget provision for any such salaries in a District is therefore of no moment if the charge be within the total provision for the same salaries for the Presidency, and no reference whatever is necessary from the Local Government to the Government of India in dealing with such cases on the ground that the savings of a gazetted appointment are thereby affected.

Copy forwarded to the Deputy Auditor and Accountant General, and the Civil Paymaster, Madras; also to the Auditor General of India.

No. 28. ORDER THEREON, 14th June 1864, No. 315.

To be recorded.
