Proceedings of the Madras Government, Financial Department, 28th June 1864.

No. 53. Read the following letter from R. W. LODWICK, Esq., Civil Paymaster, Fort Saint George; to the Secretary to Government, Madras, dated Fort Saint George, 18th June 1864, No. 48.

I have the honor, with reference to Government Order, No. 1047, dated 17th instant, to state that under Notification of the Government of India, dated the 19th December 1862, No. 44G, Mr. Fane may be considered as on leave for the period from the 14th to the 22nd of May last, that is to say, this Department will not consider him absent without leave.

2. When, however, the question of the allowances to be passed to him comes to be considered, considerable difficulty arises; for having, on the 14th May last, run through his full two years of leave on Medical certificate he cannot be granted the same pay he was drawing while absent, and to give him at the rate of £500 per annum is also not allowable under the spirit of the Leave Rules, because it is necessary under Section 6, Clause 6 for an officer to obtain the extension of one year or any extension on a fresh Medical certificate, and that clause does not appear in any way applicable to a case of this kind.

3. I do not see therefore how any pay can be given to Mr. Fane beyond the out-of-employ allowance of his rank for the period during which he over-stayed his sick leave.

No. 54. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 28th June 1864, No. 332.

I am directed to submit, for the consideration of His Excellency the Viceroy and Governor General in Council, the annexed copies of letters from Mr. E. G. R. Fane, Collector of the Madras District, and from the Civil Paymaster at Madras, with reference to an application made by Mr. Fane for an extension of his leave from the 14th to the 22nd May last. The facts of the case are shortly these:—Mr. Fane left Madras on the 14th May 1862 with leave to England on Medical certificate for 15 months, which was subsequently extended by the Secretary of State to two years. He returned to Madras by the *Candia*, which under ordinary circumstances would have reached Madras on or about the 8th May last, but, having been caught in a hurricane and obliged to put back to Aden, did not arrive at Madras until the 22nd May. The Civil Paymaster states that Mr. Fane may be considered to have been absent on leave from the 14th to the 22nd May, but that he cannot be granted the same pay as he was drawing while in England, nor the smaller absentee allowance of £500; but suggests that he may be granted the out-of-employ allowance of his rank.

Proceedings of Government, Revenue Department, 17th June 1864, No. 1047.

2. The Governor in Council does not see upon what principle Mr. Fane can be granted for the period in question, during which he was not out of employ, the allowance sanctioned for officers out of employ; and, in His Excellency's opinion, the case is a special one, which should be treated specially. His Excellency in Council would recommend that the absentee allowance of £1000 per annum, drawn by Mr. Fane while in England, should be continued to him up to the date of his return to Madras.

No. 224. Read the following letter from E. G. R. FANE, Esq., Collector of Madras, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Saidapet, 8th June 1864, No. 34 :—

SIR,

1. My sick leave to England expired on the 14th of May last, and I accordingly obtained permission to leave England by the Steamer of the 10th of April, which under ordinary circumstances would have brought me to Madras within my leave and with three or four days to spare. I was however one of the passengers in the Steamer "Candia" which was disabled and had to put back to Aden, and was prevented proceeding on her journey for seven days. The vessel thus putting back delayed my arrival at Madras until the 22nd of May, nine days beyond my leave.

2. As by the rules of the service I am unable to draw my pay for those days, being considered absent without leave, I write to you to beg of you to obtain from His Excellency the Governor in Council special leave for me from the 14th to the 22nd of May, the date of my arrival, as my absence was quite beyond my own control, and the nine days' pay is a great consideration to one who suffered such losses as I did in the storm which overtook the "Candia."
