Proceedings of the Madras Government, Financial Department,
1st *July* 1864.

No. 3. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 1st July 1864, No. 335.

I am directed by His Excellency the Governor in Council to forward herewith a letter to your address from the Civil Paymaster of this Presidency, applying for instructions as to the principle on which the rank of Civil Servants should be calculated, with reference to the Resolution of the Government of India, under date the 2nd October 1860, No. 2166.

2. This Government, it will be observed, differ from Mr. Lodwick and from the Civil Paymaster at Calcutta in their construction of the term season as used in the Resolution in question, and are of opinion that the term season as applied to Civil Servants who passed through Haileybury, must be construed as referring to the period which elapsed between the arrival of the first and last Civil Servants of the same term and not of the official year.
