Proceedings of the Madras Government, Financial Department,
8th July 1864.

No. 33. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 8th July 1864, No. 358.

Adverting to your telegram, requesting that Dr. Graham, Assistant Assay Master in the Madras Mint, might be instructed to proceed to Calcutta, I am directed to inform you that the necessary instructions were immediately communicated to Dr. Graham, who proceeded to Calcutta on the 7th ultimo, and that Assistant Surgeon H. B. Montgomery, the only qualified officer at present available in this Presidency, has been appointed to act as Assistant Assay Master pending the orders of the Supreme Government.

2. It is not desirable that this arrangement should be continued for any length of time, for Dr. Montgomery holds the appointment of Secretary to the Sanitary Commission, and ought not to have any other duties. As, however, Dr. Aitken, who lately acted as Assistant Assay Master but who is now absent from India on leave, is expected to return in the course of next month, the Governor in Council would suggest that the present arrangement may be allowed to stand until the return of Dr. Aitken, in the event of His Excellency the Viceroy and Governor General in Council being disposed to appoint the latter to the office. Otherwise, a qualified officer should be sent as soon as possible either from Calcutta or Bombay to relieve Dr. Montgomery.

Signed) J. D. SIM,
Secretary to Government.
