The only charge in this item needing explanation is the increase of Rupees 20 a month to the salary of the Manager of Overseer. This increase is proposed because, in addition to his ordinary duties which are onerous, he now has charge of a small teak plantation lately established. It will be seen that two additional Peons have also been sanctioned; but their pay, Rupees 12, has been met by abolishing the office of Assistant Superintendent of Contractor's carts. The services of these Peons are much required.

This is the cost estimated to be incurred in 1864-65, on account of additional and temporary establishments in the Districts. Two items included in the estimate need special notice, viz., Rupees 4272, for surveying waste lands in the Coimbatore District, and Rupees 14,724, for the sale of Escheats in Malabar. For the former, the Government of India sanctioned in January* 1863 an outlay of Rupees 356 per mensem for 18 months. The Collector having now represented that applications for lands are increasing, and that it is necessary to continue the establishment to the end of 1864-65, the Government have sanctioned the outlay required for the purpose, viz., Rupees 4272. The charge will be eventually recovered from the owners of the properties surveyed. For the other item, viz., the sale of Escheats in Malabar, the
