Proceedings of the Madras Government, Financial Department,
11*th August* 1864.

No. 22. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 30th June 1864, No. 53.

Until the year 1862, it was the practice of your Government to transmit to this country, annually, made up to the 1st of May, a "Register of Her Majesty's Covenanted Civil Servants on "the Madras Establishment, with an Appendix of Clerical, Military and Medical Officers, and "Officers not in the regular service, holding employment in the Civil Department;" which was prepared and signed by your Civil Auditor, or Civil Paymaster.

2. The transmission of these lists has been discontinued without any orders from hence.

3. It is necessary that lists, prepared in the same form as before, and duly authenticated, should be transmitted to me annually, for reference in this country: and I have to request that such instructions may be issued by your Government as will ensure their regular transmission in future; and also that the lists, made up to the 1st May last, may be prepared, and forwarded to me as early as practicable.

4. It is also necessary that I should be furnished, annually, with similar lists showing the appointments held, and the salaries drawn by the European Uncovenanted Servants serving under your Government.

No. 23. ORDER THEREON, 11th August 1864, No. 410.

It is observed that the lists referred to in the foregoing Despatch were ordered to be discontinued by the Government of India, who issued their instructions* direct to the Civil Paymasters of the several Presidencies. Mr. Lodwick will now, however, be requested to resume the practice of furnishing annually the Returns required by the Secretary of State. A list made up, as required, to the 1st May last should be submitted as early as practicable for transmission to the Home Authorities.
