Proceedings of the Madras Government, Financial Department,
12th August 1864.

No. 24. Read the following letter from T. PEACHEY, Esq., Principal Assistant Secretary to the Government of India; to the Chief Secretary to the Government of Fort Saint George, dated Fort William, 25th July 1864, No. 2485.

In acknowledging the receipt of your letter, No. 240, dated 30th April last, forwarding a Supplementary Estimate of articles required for the Presidency Medical Stores for 1864-65 to the amount of Rupees 11,567-8-11, I am directed to state that the estimate is sanctioned, but that His Excellency the Governor General in Council considers that the cost of the supplies required should be met out of the amount already allotted for Medical expenditure in the Budget Estimate of the current year, viz., Rupees 4,86,500, which is more than the actual expenditure in either of the past two years. If, however, an increase to the estimate should appear to be necessary at a later period of the year, application may be made for a further grant.

No. 25. ORDER THEREON, 12th August 1864, No. 411.

Communicated to the Military Department, with reference to the Order of that Department, dated 15th April last, No. 1266.
