Proceedings of the Madras Government, Financial Department, 18th August 1864.

Read the following papers :—

No. 50. Extract from the Proceedings of the Government of India, in the Financial Department, Simla, under date the 2nd June 1864, No. 682.

Read the following letters regarding the proper interpretation of some of the rules for Deputation Allowance to Military Officers in Civil employ, which were promulgated in Financial Notification, No. 5914, dated 28th November 1863, viz.,

Letter from the Civil Paymaster, North-Western Provinces, No. 263-112, dated 6th November 1863.

Letter from the Civil Paymaster, Fort William, No. 3892, dated 17th March 1864.

Letter from the Civil Paymaster, Fort Saint George, No. 68, dated 21st March 1864.

Resolution.—The Governor General in Council is pleased to decide, that when Deputation Allowance is given, under the Orders of 28th November 1863, to a Military Officer acting in a Civil appointment, it shall be given at the actual sum admissible according to the per-centages therein authorized, even if it be less than Rupees 200 per mensem.

When a Military Officer acts in a Civil appointment to which a consolidated salary is attached, his Deputation Allowance will be computed on the net staff pay comprehended in that consolidated salary, if he be doing the duties of another substantive appointment in addition, but on the gross consolidated salary if he be serving exclusively in the acting appointment.

Order.—Ordered that a copy of this Resolution be communicated to all Civil Paymasters.

No. 51. Extract from the Proceedings of the Government of India, in the Financial Department, Simla, under date the 28th July 1864, No. 1577.

Read again the Resolution, No. 682, passed in this Department on the 2nd June 1864, deciding that when a Military Officer acts in a Civil appointment to which a consolidated salary is attached, his Deputation Allowance will be computed on the net staff pay comprehended in that consolidated salary, if he be doing the duties of another substantive appointment in addition, but on the gross consolidated salary if he be serving exclusively in the acting appointment.

Read a letter from the Officiating Civil Paymaster, Bombay, No. 574, dated the 1st July 1864, and a Memorandum from the Civil Paymaster, Fort William, No. 4325, dated the 5th idem.

Resolution.—The Order of 2nd June 1864, conformed to the literal interpretation of the Despatch of the Secretary of State, dated 31st August 1863; but on re-consideration it is evident that the word "Staff," which occurs in the 4th Clause of the 34th paragraph of the Despatch, has been inadvertently used before the word salary. The Governor General in Council is accordingly pleased to rule, with reference to the 1st Clause of the 34th paragraph, that the Deputation Allowance of a Military Officer officiating in a Civil appointment to which a consolidated salary is attached shall, whether he be relieved of his substantive duties or not, be calculated on the gross consolidated salary of the appointment in which he is officiating, that being the principle on which Deputation Allowance, when granted to Covenanted Civil Servants, is computed.

Order.—Ordered that a copy of the foregoing and of the Resolution therein referred to, be forwarded to the Foreign and Home Departments; the Governments of Bengal, Madras, Bombay, the North-Western Provinces, the Punjab, and the Straits Settlements.
