Department.

Require confirmation, with reference to the Financial
Resolution of Government of India, dated 15th Novem-
ber 1860, No. 11,322.

These increases require the confirmation of the Supreme Government, for being incurred during the year 1865-66.

FORT SAINT GEORGE,
DY. AUDR. AND ACCT. GENL.'S OFFICE,
1st February 1865.

(Signed) F. LUSHINGTON;
Dy. Auditor and Accountant General.

A.—In recommending that a small
Staff salary might be allowed to the
Assistant Apothecary attached to the
Leper Hospital, the Surgeon, 1st
District, represented that the loath-
some and repellent character of the
disease with which all the patients
in the hospital were affected; the
constant contact into which the resi-
dent Medical Subordinate was
brought with the sick; the proxi-
mity of his scanty quarters to the
wards, and consequent difficulty of
keeping the lepers out of sight,
and even away from the adjacent out-
houses belonging to the quarters—
all conspired to render the position
of the Assistant Apothecary of this
hospital one of trial, and the appoint-
ment one to be avoided rather than
sought, and vacated as soon as pos-
sible rather than retained; and yet
that it was not only important that
there should be a resident Apothe-
cary, but also that frequent changes
of this incumbent should not take-
place. On these grounds, this Go-
vernment sanctioned an addition of
Rupees (25) twenty-five per men-
sem, as a staff allowance to the sala-
ry of the Assistant Apothecary.
The charge during the current year
will be met from the sum entered
in the Budget for the allowances of
an Assistant Apothecary, which have
not been drawn for above six
months, and it is requested that the
Government of India will sanction
the staff allowance as a permanent
charge.

B.—In bringing to notice the incon-
veniences and privations to which
Medical Subordinates detailed for
Civil duties on the Neilgherries were
exposed in the prosecution of their
duties, the Deputy Inspector Gene-
ral of Hospitals, Southern Division,

			This increase is met from the amount allowed for the general expenses of the Museum which is accordingly correspondingly reduced.	
			Requires confirmation with reference to the Financial Resolution of Government of India, dated 15th November 1860, N. 1892.	
			(Signed) W. DONALD. Chief Assistant, Civil Paymaster in charge, CIVIL PAYMASTER'S OFFICE, FORT SAINT GEORGE, 24th January 1865.	
			This increase requires the confirmation of the Supreme Government, for being incurred during the year 1865-66. (Signed) F. LUSHINGTON, Dy. Audr. and Acct. Genl.

			expressed his opinion that an increase of pay was necessary, to enable these men to provide themselves with suitable clothing and comforts, as the want of these requisites often led, he feared, to indulgence in stimulants, and must in such a climate, render a Native of the plains more or less inefficient, particularly one who was on duty night and day. This Government has accordingly sanctioned the monthly payment of Rupees 7 to each Apothecary and of Rupees 5 to each Dresser employed on the Hills, for the purpose of supplying themselves with warm clothing. The cost for the current year will be passed against savings in the Medical Budget, and the sanction of the Government of India is requested to the allowance, for the future, as a permanent charge.	
			C.—Satisfied with the grounds on which the Superintendent proposed the small increases here shown, this Government has sanctioned them.
