*Proceedings of the Madras Government, Financial Department,
2nd March 1865.*

No. 3. Read the following letter from W. DONALD, Esq., Chief Assistant Civil Paymaster in charge; to the Honorable A. J. ARBUTHNOT, Chief Secretary to the Government of Fort Saint George, dated 17th February 1865, No. 259.

Statement Department.

I have the honor, with reference to Government Order, No. 50, dated 9th instant, respectfully to state that it appears to me extremely doubtful whether Law Officers and Native Judges are entitled to count as service for pension any period passed on leave, except Privilege and Preparatory, or to reckon service from any age under 22 years, and I therefore beg to suggest that these questions may be referred by His Excellency in Council to the Government of India for decision. Pending the receipt of the Supreme Government's orders, this office will adopt the views enunciated by the Madras Government in their order referred to, in reporting upon the service of any Law Officer or Native Judge whose application for pension may be referred for report.

No. 4. ORDER THEREON, 2nd March 1865, No. 131.

The Government of India having in their Secretary's letter to the Civil Paymaster of Bengal, under date the 23rd May last, a copy of which was furnished to this Government with Mr. E. H. Lushington's letter of the 19th January last, expressly stated that "the new rules for the grant of pensions to Uncovenanted Servants do not extend to Judicial and Educational Officers," and that "the cases of these classes of Officers will be separately considered," the Governor in Council does not deem it necessary to make the reference suggested by Mr. Donald. He is clearly of opinion that the rules to be applied to Officers of these classes are those which were in force prior to the publication of the rules of the 8th June 1863, and that they should be applied in their integrity.
