Proceedings of the Madras Government, Financial Department,
13th March 1865.

No. 30. Read the following letter from W. DONALD, Esq., Chief Assistant Civil Paymaster in charge, Fort Saint George, to the Secretary to the Government of India, Financial Department; dated Fort Saint George, 2nd March 1865, No. 269.

I have the honor to inquire in what manner the allowances of retired Military Officers holding Civil appointments are to be regulated during their absence on leave. These officers are considered as coming under the Uncovenanted Service Absentee Rules, but I am not aware that it has ever been decided whether, during leave, either on Medical Certificate, or private affairs, they are permitted to receive the half pay of their appointments, within the limitations prescribed by Section XX of those rules, *in addition to their pensions*, or whether their pension is to form part of the portions of pay that can be drawn by them during absence, so long as they continue to hold their appointments.

2. The pension of these officers while on duty is deducted from their salary, in accordance with the Despatch of the late Honorable Court of Directors, No. 33, dated 6th May 1857.

No. 270.

True copy forwarded to the Government of Fort Saint George, for information.
