From the Acting Controller of Military Accounts, Fort Saint George, 22nd February 1865, G; to the Secretary to Government, Military Department.

I have the honor, with reference to the conclusion of paragraph 21 of my letter of the 7th February 1865, C, now to forward an Estimate of the additional Budget provision, which will be necessary in consequence of the issue of G. O. G. G. dated 6th January 1865, No. 22, amounting to Rupees 2,82,396, the additions to Grants 3,9 and 10, being as per margin.

3—	*Rupees*...	2,44,511
9—	,, ...	20,867
10—	,, ...	17,018
	Rs. ...	2,82,396

2. The G. O. G. G., restricts the application of the Order to Officers and men in receipt of Regimental pay and allowances, and excludes Officers holding Staff appointments, who are excluded under *existing* rules; but provision has been made for Officers holding appointments, who have been restricted to half batta only in virtue of locality; for instance, the Secretary to the Principal Inspector General Medical Department, is entitled to Staff salary in addition to pay and allowances without restriction as regards the aggregate; and the Commissary of Ordnance's revised salary is in addition to Regimental pay and allowances; full batta rates of pay have, therefore, been provided.

ORDER, No. 988, 15th March 1865.

The Government of India having recently intimated that the provisions of the G. O. abolishing the half-batta rules are as they were understood by this Government to be, applicable only to Officers and men regimentally employed, it will not be necessary to make any additions to Grants 9 and 10 of the Budget Estimate for 1865-66. The only provision requiring to be made is that of Rupees 2,44,511 shewn under Grant 3 in the Estimate received with the foregoing letter.
