*Proceedings of the Madras Government, Financial Department,
4th April 1865.*

No. 4. Read the following letter from Lieutenant Colonel J. CARPENDLE, R. E., Mint Master, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Mint, 30th March 1865, No. 387.

With reference to the Official Memorandum from the Government of India, No. 3181, of the 11th instant, forwarded to me with Memorandum from the Under Secretary to Government in the Financial Department, I have the honor to inform you that, as the letter communicated in Order of Government, No. 510, of 6th October last, requested that a statement should be forwarded, on condition that the permanent employment of bullock drivers was wanted in the Mint, and as it was my intention to apply to Government to enlarge the Mint yard, so as to be able to store the annual supply of coal (which is now daily received from the Marine yard) as landed, by which means the number of bullocks would be considerably reduced, and a permanent saving effected, I deferred replying to the order; but as I find that sundry works are suspended for want of funds, the Statement proposing an increase of pay to the establishment of bullock drivers is now submitted.

No. 5. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 4th April 1865, No. 178.

With reference to your letter of the 16th September last, No. 2467, I am directed by His Excellency the Governor in Council to transmit a copy of a letter from the Mint Master, with the original Statement which accompanied it, proposing an increase of pay to the bullock drivers to be retained on the fixed establishment of the Madras Mint, involving an extra charge of Rupees 7-8-0 per mensem.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
