Proceedings of the Madras Government, Financial Department, 7th January 1865.

Read the following papers :—

No. 24. From R. W. LODWICK, Esq., Civil Paymaster, Fort Saint George, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Eort Saint George, dated 23rd December 1864, No. 214.

I have the honor, with reference to Government Order, No. 544, dated 26th October 1864, to forward herewith Resolution (in original*) by the Government of India, dated 9th instant, No. 3703, Financial Department, authorizing an establishment, costing in the aggregate Rupees 40 per month less than that sanctioned in the Order of the Madras Government first above quoted, and to solicit instructions as to the manner in which this office is to deal with the accompanying bill, and others which may be submitted prior to the receipt of orders from the Government of India upon the Statement of fresh charges for October last, in which the Paper Currency Establishments have been entered for sanction.

* Requested to be returned.

Referred to the Commissioner of Issue for report.

No. 25. From Lieutenant Colonel J. CARPENDALE, R. E., Commissioner of Issue of Paper Currency, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Madras, 4th January 1865, No. 202.

I have the honor to return the Civil Paymaster's letter of 23rd December, referred to me under your docket of 2nd instant.

2. With his letter, the Civil Paymaster submits a Resolution* of the Government of India, sanctioning an establishment of Rupees 194 monthly for each of the New Circles of Issue of Paper Currency, and pointing out that the Madras Government had previously authorized† an establishment of Rupees 234, thus :—

* Financial Department, No. 3703, dated 9th December 1864.

† Financial Department, No. 544, dated 26th October 1864.

3. The larger establishment was sanctioned by Government, on my recommendation having been decided on, in personal communication with the Head Commissioner, who came to Madras for that purpose, and I can only attribute the difference in the establishment which the Government of India had sanctioned to some misapprehension. The Clerk and Moochie, who are altogether omitted, are I consider absolutely requisite, while I do not see any necessity for four Peons, in lieu of the two I proposed ; and as the Peons ought to be respectable trustworthy men, rather than common messengers, I cannot recommend a smaller rate of pay than 7 Rupees for them.

4. Omitting the salary of Treasurer, which is the only point wherein the constitution of these offices differ, by reason of locality, from those of other Provinces, I find that the minimum

establishments sanctioned for Allahabad, Lahore, and Nagpore, are Ruppees 335, Rupees 427, and Rupees 268 respectively, with which I submit the establishments proposed for the Madras Circles contrast favorably.

5. I have also to observe, in connection with the bill for salaries for a part of November, submitted by the Deputy Commissioner at Vizagapatam, that I had, at desire of the Head Commissioner, requested that all establishments might be entertained by 20th November, preparatory to the opening of the Circles on 1st December. On receiving the Notification of the Government of India that the Circles would open on 1st January 1865, I was in time to countermand my instructions so far as regards Calicut and Trichinopoly, but too late to alter the arrangements made in the Vizagapatam Circle.

No. 26. ORDER THEREON, 7th January 1865, No. 17.

Under the explanation given in the foregoing letter from the Commissioner of Issue of Paper Currency, the Governor in Council directs that the Civil Paymaster will pass to the Currency Establishments at Vizagapatam, Calicut, and Trichinopoly, salaries at the rates entered in the Pay Abstract submitted with his letter of the 23rd ultimo, pending a reference which will be made to the Government of India on the subject.

Chief Secretary.

No. 27. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 7th January 1865, No. 18.

With reference to my letter of the 26th October last, No. 545, forwarding one from the Commissioner of the Department of Issue in this Presidency, submitting a scheme of establishment for each of the Currency Circles lately constituted in this Presidency, I am directed to submit, for the consideration and orders of His Excellency the Viceroy and Governor General in Council, the annexed copy of letters, under date the 23rd ultimo, and 4th instant, from the Civil Paymaster and Commissioner of Issue, regarding the establishment of Tellers, Clerks, &c., which has been engaged at Vizagapatam.

2. It will be seen that the cost of the establishment which has been engaged at that station, and also at Calicut and Trichinopoly, exceeds by Rupees 40 the amount sanctioned in the Proceedings of the Government of India, under date the 9th ultimo, in which no provision is made for the appointment of a Clerk, while the salary of the highest paid of the Tellers is fixed at Rupees 70, instead of Rupees 75, per mensem. The Governor in Council concurs in the opinion of the Commissioner of Issue that a Clerk and Moochie will be required in each of these offices, and that two Peons, whose salaries he would fix at Rupees seven each, will be sufficient; and desires me to request that the scale of establishment framed by Colonel Carpendale, in communication with the Head Commissioner of Issue, may receive the sanction of the Supreme Government.

3. I am to observe that the Proceedings of the Government of India of the 9th December, No. 3703, were not communicated to this Government.
