Proceedings of the Madras Government, Financial Department,
21st April 1865.

No. 26. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 21st April 1865, No. 195.

I am directed to forward, for the consideration and orders of the Government of India, an application for gratuity, on retirement, of V. Ragava Iyengar, a Revenue Inspector in the South Arcot District of this Presidency. It will be observed that the applicant's whole service has amounted to 41 years, his age being more than 60 years, but that only four years of his service has been passed in grades entitling to pension.

2. Under the new rules, no gratuities are provided in cases of retirement other than on Medical Certificate of unfitness, or reduction of establishment. In the present case, the applicant, whose duties are of an active nature, requiring his constant movement from village to village for the inspection of crops, is certified to be unfit for active labor, but not for ordinary office work.

3. I am to state that, in the opinion of the Madras Government, the retirement of the applicant is desirable, on the ground of his age and length of service, and that it is improbable that his transfer to sedentary employment would be to the advantage of the State; and I am to suggest that authority might be given to the local Governments to extend the principle of the rule allowing pension for good service of 30 years and upwards, to cases like the present, in which gratuity only is admissible, by granting such gratuities to public officers of good character, and service exceeding 30 years, without requiring the production of Medical Certificate of unfitness for further service.

4. I am to point out that the introduction of such a rule would enable this Governmnet not infrequently to insist upon the retirement of officers quite past work, but unable to obtain certificate of being, medically speaking, unfit for duty.

Chief Secretary.
