Proceedings of the Madras Government, Financial Department, 22nd April 1865.

No. 34. Read the following letter from E. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Fort William, 29th March 1865, No. 1594.

In reply to your letter, No. 104, dated the 18th February 1865, I am desired to inform you that the Governor General in Council approves of the grant to Dr. Montgomery of a deputation allowance of Rupees 175 per mensem, being half the Staff allowance attached to the Office of Assistant Assay Master in the Madras Mint, which he temporarily held from 6th June to 1st September 1864.

2. His application for the full Staff salary of the Office is inadmissable, the orders in the case to which he refers as a precedent being special and inapplicable.

3. I am at the same time to observe that the Civil Paymaster erred in applying to Dr. Montgomery's case the orders of November 1863, which are applicable only to Military Officers in Civil employ on *consolidated salaries*. But even had it been applicable, the Civil Paymaster ought to have calculated the deputation allowance on the aggregate emoluments of the Office (viz., Rupees 350 Staff, and Rupees 225-12-0, net Military pay and allowances, total 575-12-0), and not on the Staff salary merely, with reference to the Financial Resolution, No. 1577, dated 28th July 1864. This will be pointed out to him.

Ordered that a copy of the above letter be sent to the Civil Paymaster, Madras, for information and guidance.

No. 35. ORDER THEREON, 22nd April 1865, No. 200.

Ordered to be communicated to Assistant Surgeon H. B. Montgomery, in reference to his letter to the Civil Paymaster, dated 23rd January last, No. 439.

(True Extract).
