In sanctioning a grant of £110,000, or Rupees 11,00,000, for Public Works out of th Income Tax Receipts, for the next year 1865-66, the Governor General in Council desires that the amount, like the undistributed portions of the grants for 1861-62, 1862-63, 1863-64, and 1864-65, be held in reserve, until the receipt of the accounts of 1865-66, and the reports mentioned below, when the final adjustments of the Income Tax grants for Public Works to the several Local Governments and Administrations will be made.

2. His Excellency in Council directs that the Accountant General to the Government of India, and the several Deputy Auditors and Accountants General will furnish reports shewing:—

1st.—The collections of 1 per cent. duty, under Act XXXII of 1860.

2nd.—The refunds thereof.

3rd.—The collections of 3 per cent. and 1 per cent., under Act XVI of 1862.

4th.—The refunds thereof.

5th.—The collections of 2 and 1 per cent., under Act XXVII of 1863.

6th.—The refunds thereof.

These reports should embrace the collections and refunds from the commencement of the Income Tax, viz., from and after 31st July 1860, to the end of the next year 1865-66, in all the Departments of Government, viz., Civil, Military, Marine, and Public Works; and with a view to obtain correct reports, His Excellency in Council directs all the Officers of Account mentioned above to communicate with the Officers of Account of the Public Works Department, and desires the Accountant General to the Government of India, and the Deputy Auditors and Accountants General of Madras and Bombay, to obtain the other requisite information from the Military Accountants of Bengal, Madras, and Bombay.

3. Since August 1860, there have been great changes in the territorial divisions of some of the Governments and Administrations; and in order to avoid the repetition of entries on the same account in the reports of the Deputy Auditors and Accountants General of territories affected by the changes, His Excellency in Council desires these Officers to deal in their reports with all those Districts, the accounts of which may have been under their control from time to time. For instance, before the introduction of the new Budget system, the Accounts of Nagpore and Oude were made up by the Accountant General to the Government of India; and from 1st May 1861, Nagpore was made over to the Deputy Auditor and Accountant General of Bombay; while Oude was made over to the Deputy Auditor and Accountant General, North-Western Provinces. Afterwards, on the formation of the Central Provinces, Nagpore was transferred to the Deputy Auditor and Accountant General of those Provinces. In these cases, the Accountant General to the Government of India, and the Deputy Auditors and Accountants General of Bombay, the North-Western Provinces, and the Central Provinces, will furnish reports respecting Oude and Nagpore, for the time they recorded the transactions of those territories.

Ordered that a copy of the above Resolution be sent to the several Local Governments and Administrations, the Auditor General of India, the Accountant General to the Government of India, and the several Deputy Auditors and Accountants General.
