FORT SAINT GEORGE,
ACCOUNTANT GENERAL'S OFFICE,
23rd December 1864.

(Signed) F. LUSHINGTON,
Accountant General.

Forwarded to the Chief Secretary to Government, with reference to the orders of Government, No. 515, dated 10th October last, Financial Department.

No. 8. ORDER THEREON, 3rd May 1865, No. 225.

Ordered that the above Return be communicated to the Board of Revenue, and their attention drawn to the anomalies it presents.

2. Thus while the District of Coimbatore required a supply of 50,000 small silver, and 3,20,000 copper coins, the Godavery, Kistna, North Arcot, and Trichinopoly Districts received only 10,000 copper coins each, and no small silver coins at all. The wealthy District of Tanjore received only 30,000 copper coins.

Proceedings of the Madras Government, Financial Department,
3rd May 1865.

3. The Collectors have been repeatedly urged to provide their Districts with supplies of the small coins so necessary for the convenience of the people; but the above Return shows that the orders of Government have received but partial attention. The Board will issue a Circular to the Collectors drawing their attention again to the subject, and requiring a Return for the past year of the quantity of small silver and copper coins remaining on hand at its commencement and close.
