Proceedings of the Madras Government, Financial Department, 9*th May* 1865.

Read the following papers:—

No. 25. From W. H. ARBUTHNOT, Esq., Madras Civil Service, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated London, 8th March 1865.

In accordance with instructions from the Secretary of State for India in Council, I have the honor to transmit, herewith, a report of the Medical Board (before whom I appeared at the India Office, on the 9th ultimo) on my case; and I have the honor to request that you will lay before the Government of Madras, for their favorable consideration, my application for the grant of an Invalid Pension, from the date upon which the Secretary of State for India in Council accepted my resignation of the Madras Civil Service, viz., the 16th February 1865.

Referred to the Civil Paymaster for report.

FORT SAINT GEORGE,
8*th April* 1865.

(Signed) C. G. WALKER,
Under Secy. to Government.

No. 11.

Eligible to a grant of £500, under the Despatch of the Secretary of State for India, dated 25th November 1862, No. 193, as his service amounted to years 4-6-5 only on the 16th February 1865.

Civil Paymaster's Office.
10*th April* 1865.

(Signed) W. DONALD,
Chief Asst. Civil Paymaster in charge.

No. 26. From W. DONALD, Esq., Chief Assistant Civil Paymaster, in charge, Fort Saint George, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated 6th May 1865, No. 5.

I have the honor, with reference to my report in Mr. W. H. Arbuthnot's case, dated 10th ultimo, to forward, for the information of Government, the authority upon which I reported that that gentleman was entitled only to gratuity and not to an Invalid Pension. At the same time there is no doubt but that the ruling of the Government of India is directly opposed to the terms of the Secretary of State's Despatch, No. 142, dated 15th August 1863, in the case of Sir F. Outram, and they have not quoted any more recent Despatch, as the grounds for the views they hold.

From E. H. LUSHINGTON, Esq., Secretary to the Government of India, to the Civil Paymaster, Madras; dated Simla, the 30th June 1864, No. 1140.

I am directed to acknowledge the receipt of your letter, No. 72, of the 23rd March 1864, and, in reply, to state that a copy of the Order of this Department, No. 791G, of the 31st October 1862, will be forwarded to the Civil Paymasters in Calcutta and Bombay, for their guidance.

2. I am to add that you are right in supposing that leave on private affairs, under Section 14 of the Covenanted Civil Absentee Rules of 8th June 1855, though it can no longer be counted as residence, may still be reckoned as service, and that no more than one year's leave on Medical certificate can be included in the computation of service qualifying for the Invalid Pensions recently authorized by the Secretary of State for Covenanted Civil Servants, who may be obliged by sickness to retire before they are entitled to Annuities.

(True Copy).

(Signed) W. DONALD,
Chief Assistant Civil Paymaster in charge.

No. 27. ORDER THEREON, 9th May 1865, No. 235.

Mr. W. H. Arbuthnot having been permitted to resign the Madras Civil Service, in consequence of ill-health, His Excellency the Governor in Council resolves, under the authority given in paragraph 7 of the Despatch of the Right Honorable the Secretary of State to the Government of India, dated 25th November 1862, No. 193, to grant Mr. Arbuthnot an Invalid pension of £250 per annum, from the 16th February last, the date of his retirement.

Proceedings of the Madras Government, Financial Department,
9th May 1865.

2. It is observed that, under the Secretary of State's Despatch of the 15th August 1863, in the case of Sir F. B. Outram, service and not residence is to be calculated in deciding on claims to Invalid Pensions. Mr. Arbuthnot's service having commenced on the 10th January 1855, he had completed 10 years' service previous to the date of his retirement, and is, therefore, entitled to an Invalid Annuity of £250 a year.

INDIA OFFICE,

9. Feb. 1865.

We certify, after having taken the usual obligation, to have carefully examined Lt Wetherall 30th Madras Civil Service

and find that he left India about the 20. April 1862, this being the second time that he has been sent to England at the recommendation of Medical Boards on consequence of nearly similar symptoms viz. hepatic enlargement sickness & diarrhoea.

The sickness & diarrhoea have ceased, but the liver continues enlarged & is painful on pressure. As he is suffering from general bad health, the effects of organic disease, there is no hope of his ever becoming efficient in India.

We therefore recommend that he be permitted to retire from the service.
