TO THE CHIEF SECRETARY TO THE GOVERNMENT OF MADRAS.

Fort William, the 10th April 1865.

Financial Department.

SIR,

Adverting to your letter, No. 49, dated the 16th January 1864, I am desired to request, with reference to the claim apparently put forward by the Madras Service to an interest in the A[illegible] Capital of the Annuity Fund in the event of its proving that the rate f[illegible]ng the value of the annuities has been fixed too high, that it may be p[illegible] out that the Subscribers have no special interest in this part of the assets of the Fund, and that, if it should turn out that more capital has been appropriated for the payment of annuities conferred than is necessary, any surplus would fall into the general balance of the Fund, or in other words, would revert to the Unappropriated Capital.

I have the honor to be,

SIR,

Your most obedient servant,

Thomas Seaber
