Proceedings of the Madras Government, Financial Department,
22nd May 1865.

No. 51. Read the following letter from R. H. HOLLINGBERY, Esq., Assistant Secretary to the Government of India, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Simla, 6th May 1865, No. 105.

In reply to your letter, No. 178, dated 4th April 1865, I am directed to state that the Governor General in Council is pleased to sanction the increase of pay, from Rupees 5-4-0 to Rupees 6 monthly, proposed for the Bullock-drivers on the fixed establishment of the Madras Mint, amounting to Rupees 7-8-0 per mensem.

2. I am at the same time to suggest that, with the permission of His Excellency the Governor in Council, immediate measures may be adopted for providing a Coal shed for the Mint, if the outlay be such that the interest on it and the average annual expense for repairs, &c., would be much less than the pay of the Bullock-drivers, and the wear and tear and keep of the bullocks that could be dispensed with, by the provision of the coal shed.

Ordered that copy of paragraph 1 of the foregoing letter be sent to the Deputy Auditor and Accountant General, Madras, for the issue of the requisite instructions.

No. 52. ORDER THEREON, 22nd May 1865, No. 255.

Communicated to the Mint Master, with reference to his letter dated 30th March last, No. 387. If necessary, he will place himself in communication with the Public Works Department, regarding a Coal shed for the Mint.

(True Extract).

Chief Secretary.

To,

The Chief Secretary to the Govt
of Fort St. George.

Financial Departt Sir,

In reply to your letter No. 178, of 4th April 1865, I am directed to state, that the Governor General in Council is pleased to sanction the increase of pay from Rs. 5/4 to Rs 6 monthly proposed for the Bullock Drivers on the fixed establishment of the Madras Mint, amounting to Rs. 7-8 per mensem.

2. I am at the same time to suggest that, with the permission of His Excellency the Governor in Council, immediate measures may be adopted for providing a Coal Shed for the Mint, if the outlay be such that the interest on it and the average annual expense for repairs, &c. would be much less than the pay of the Bullock Drivers, and the wear and tear and keep of the Bullocks that could be dispensed with, by the provision of the Coal Shed.

I have the honor to be
Sir
Your most Obedient Servant
