No. 60. Read the following letter from the Honorable W. MUIR, Secretary to the Government of India, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Simla, the 6th May 1865, No. 260.

Foreign Department.
Finance.

I am directed by the Governor General in Council to forward to you the accompaning copy of a correspondence with the Commissioner of Mysore, on the subject of the Mysore Securities, and to request that the Madras Government will be good enough to issue the necessary instructions to the Accountant General of that Presidency.

Letter from, dated 4th April, No. 2025.
Letter to do., dated 6th May, No. 258.

2. I am at the same time directed to furnish you with a copy of an Extract to the Financial Department, under date the 7th February last, No. 82, and to draw the attention of the Madras Government to the injunction which it contains that none of the securities are to be sold, without the special sanction of the Government of India.

From L. BOWRING, Esq, Commissioner for the Government of the Territories of His Highness the Maharajah of Mysore, to the Officiating Under Secretary to the Government of India, Foreign Department; dated Bangalore, the 4th April 1865, No. 2025.

I have the honor to acknowledge the receipt of your letter, No. 179, of the 21st ultimo, and to observe that the object of the reference made in my letter, No. 1826, of the 24th February was that I should be favored with the requisite form of Power of Attorney to enable the Secretary to the Madras Bank, or any other person whom the Government may please to nominate, to draw the interest accruing on the Securities of the Trust Fund. The Securities are ready for despatch at any moment; but as His Excellency the Governor General in Council has expressed a doubt as to the propriety of their standing in the name of "the Commissioner for the Government of the Territories of His Highness the Maharajah of Mysore," I have thought it right to retain them, pending orders as to the name in which they ought to be endorsed, should any alteration be deemed requisite, before sending them to Madras to be deposited with the Bank.

2. Should His Excellency determine that the Securities should stand in the name of the "Commissioner, &c.," they will be forwarded at once to Madras, and the requisite form of interest power may be forwarded through the Financial Department to me in due course.

From the Honorable W. MUIR, Secretary to the Government of India, to the Commissioner for the Government of the Territories of His Highness the Maharajah of Mysore, dated Simla, the 6th May 1865, No. 258.

Foreign Department.
Finance.

I have received your letter, No. 2025, dated 4th April, on the subject of the Mysore Securities, and am instructed, in reply, to state that they should, in the opinion of the Governor General in Council, be endorsed in the name of the "Commissioner for the Government of the Territories of Mysore for the time being, and the Accountant General of Madras."

2. The interest may be drawn on the signature of either of the above officers; and in the event of the Maharajah not consenting to the arrangement by which the proceeds would go to him, they will be credited to the general revenues of the State.

3. A copy of the present letter and of Colonel Durand's Despatch, dated 7th February last, will be furnished to the Government of Madras, in order that the necessary instructions may be conveyed to the Accountant General of that Presidency; and its attention will be drawn to the directions to be communicated to the Bank of Madras.

4. The Financial Department will be requested to furnish you with the necessary forms regarding the authorization to draw interest, but it may perhaps be the simplest and most con-

venient plan that the interest should be drawn periodically on the receipt of the Accountant General of Madras.

Extract from the Proceedings of the Government of India, in the Foreign Department, under date the 7th February 1865, No. 82, (Finance).

Read an Office Memorandum from the Financial Department, No. 238, dated 18th January, forwarding a letter from the Acting Auditor and Accountant of Mysore, with its enclosures in original, together with copies of two Statements prepared in the Financial Department, and observing that the detailed accounts of the 30 lacs of Rupees invested by the Madras Bank in Government Securities on behalf of the Mysore Trust Fund have been examined by the Auditor and Accountant of Mysore, and found to be correct.

Observations.—The Governor General in Council observes that when the whole of the Notes have been consolidated, they should be deposited with the Bank of Madras, which should be directed not to give them up or sell them without the authority of the Supreme Government conveyed in writing.

His Excellency in Council further observes that no further delay should be allowed to occur in the consolidation of the balance of the Notes.

Ordered that a copy of the foregoing observations be sent to the Financial Department, for information and the issue of the necessary orders, and that the original papers received from that Department be at the same time returned.
