Book and Adjustment Department.

With reference to the orders of the Government of India, No. 2189, dated 20th April 1865, I have the honor to forward, for the approval of the Right Honorable the Governor in Council, and publication in the *Fort Saint George Gazette*, draft copy of a Notification regarding the new system of audit and payment, as therein directed. The necessary subsidiary instructions to the Treasury Officers will be issued by this office, as soon as the Notification has appeared in the Gazette.

2. On the amalgamation of the Civil Paymaster's establishment with mine, it will be necessary that the Military Accountant, now with his establishment occupying a portion of this building, should vacate these premises ; and as his establishment is rather smaller than that of the Civil Paymaster, there will be ample accommodation for the former office in the Audit office about to be vacated.

No. 11. ORDER THEREON, 6th June 1865, No. 277.

The Governor in Council sanctions the publication of the Notification submitted with the foregoing letter.

2. As proposed by the Deputy Auditor and Accountant General, the Military Accountant and his establishment will be transferred to the building now occupied by the Civil Paymaster, on its being vacated by the latter officer.
