FINANCIAL DEPARTMENT.

No. 282.

FROM

A. J. ARBUTHNOT, ESQ.,

Chief Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

SIR,

Adverting to the Proceedings of the Government of India, in the Financial Department, dated 11th December 1863, No. 6254, sanctioning the grant of a compassionate allowance of Rupees 2-8-0 per mensem each to Peons who have been discharged after rendering 30 years' service, in consequence of reductions of establishment, and have not since been re-employed, I am directed by His Excellency the Governor in Council to submit, for the consideration and orders of the Right Honorable the Governor General of India in Council, the accompanying copy of the Proceedings of the Board of Revenue,

Dated 26th April 1865, No 2112.

with the two Lists thereto annexed. In regard to the first list of servants on salaries of 10 Rupees and under, who were permanently thrown out of employ in the Districts of this Presidency on the late reduction of establishments, after performing service of 30 years and upwards, I am desired to inquire whether it was intended that the same boon should be extended to this class of servants; and if so, what is the scale of compassionate allowance to be granted to them.

2. A copy of the Proceedings in the Revenue Department, dated 27th May 1864, No. 907, is also forwarded for the information of the Government of India, and I am to draw attention to the views expressed by the Board of Revenue in their Proceedings of the 13th May 1864, No. 2919, to the effect that the principle of the Order of the Government of India is as applicable to the cases cited by the Collector of the Kistna District as to that of Peons, while the charge on the State Funds is not likely to be large or of long continuance. In this opinion the Madras Government concur.

3. With reference to the second List annexed to the Revenue Board's Proceedings now submitted, showing the names of the same class of servants who had served for the same period, *but who have received gratuities under the Rules*, it will be observed from paragraph 6 that the persons who have received gratuities in the Madura District are willing to return them provided that a compassionate allowance will be granted to them. It will be for the Government of India to decide whether this can now be admitted, and the indulgence extended to servants in all other Districts who may be similarly situated and disposed to refund the amount of gratuity received by them.

I have the honor to be,
Sir,
Your most obedient Servant,

FORT SAINT GEORGE,
7th June 1865.

Chief Secretary.

No. 2,112.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 26th April 1865.

Read again Order of Government, dated 27th May 1864, No. 907, Revenue Department.

1. The Collector of the Kistna District brought to the notice of the Board that among the servants thrown out of employment at the late amalgamation of Districts and revision of Establishments, there were some persons in his District who had passed much of their service in the situation of Samuidar and Gumastah on salaries of 10 Rupees and under, and who were consequently not eligible under the rules for pension, though they had served upwards of thirty years, and he recommended that they might be allowed a compassionate allowance of 4 Rupees a month. This proposition was submitted for the favorable consideration of Government in the Board's Proceedings, dated 13th May 1864, and in the Order above recorded, the Government desired to be furnished with a complete list of the servants belonging to this class, who had been thrown out of employment in all the Districts of the Presidency, in consequence of reductions in the Establishments. A Circular was accordingly addressed to Collectors on the subject, and their replies have now been received.

2. In furnishing the lists called for, some Collectors have included in them Duffadars and Peons, and persons who have already received gratuities. The Collectors of Ganjam, Cuddapah, Kurnool, South Arcot, Salem, and Malabar, have stated that there are no servants of the class referred to in their Districts. The Collectors of Vizagapatam and Trichinopoly have submitted long lists of Duffadars and Peons, and if, under the orders of Government, dated 17th February 1864, these servants are entitled to the compassionate allowance of 2½ Rupees a month, the Collectors referred to should have recommended them to Government for that allowance, and should not have included their names in the lists now submitted. The Collectors who have failed to adopt this course will now be requested to do so.

3. The Collector of Trichinopoly forwarded with his two letters, dated 23rd November 1864, and 20th February 1865, discharge certificates from the Police obtained by the parties noted in the margin. These persons having enlisted themselves in the new Police, and having been afterwards discharged, not in consequence of reduction of Establishment, but in consequence of their unfitness from old age and other causes, have no claim to the compassionate allowance as recently decided by Government in the Judicial Department, but the Collector can recommend them to Government for such gratuities as they may be entitled to according to the rules. The six discharge certificates received will accordingly be returned to Mr. McDonell.

Hamising,
Govindoo,
Chinnasamy Pillay,
Rungappah Naick,
Veerarajoo,
} Peons.
Naranayar, Police Peishcar, on 10 Rupees pay.

4. The Collector of Coimbatore recommends a gratuity to the family of one Tannuppah Chetty, Head Shroff, who died after forty-six years' service, but the Board are not prepared to support his recommendation.

5. The Collector of Tanjore enters in his list the name of a Tahsildar, Ragaviengar, on a salary of 100 Rupees a month, who completed a service of more than thirty-one years. The Collector will be requested to state why he has not recommended him for a pension under the rules.

6. With these remarks the Board resolve to submit to Government two lists prepared in their Office, excluding those who do not belong properly to the class of servants under reference.

No. 1 shows the names of servants on salaries of Rupees 10 and under, who were thrown out of employment after completing thirty years service; and No. 2, the names of the same class of servants, who had served for the same period, but who have received gratuities under the rules. The Collector of Madura states that the persons who have received gratuities in his District are willing to return them provided the Government will allow them compassionate allowance. It is for Government, however, to decide whether they may be permitted to do so. The marginal abstract shows the number of persons who have not received the gratuity, and those who have received it in each District.

7. The Collector of North Arcot has entered in his list three servants, none of whom has completed thirty years' service. Of these one has served only eight years, and it is not clear why his name has been included. The other two servants have served twenty-eight and twenty-nine years respectively, and as but one and two years are required in each case to complete the necessary period of service, the Board have thought it proper to include their names in the list now submitted to Government.

8. The Board are not aware whether all the persons whose names are entered in the lists are still alive, as it is some time since some of the returns were received from the Collectors. If the Government, however, decide that the allowances shall be granted to these individuals, the Collectors concerned will be requested to recommend for the allowance those who may be found in their Districts.
