Proceedings of the Madras Government, Financial Department, 17*th June* 1865.

No. 40. Read the following letter from J. STRACHEY, Esq., Officiating Secretary to the Government of India, to the Honorable A. J. ARBUTHNOT, Chief Secretary to the Government, Fort Saint George; dated Simla, the 3rd June 1865, No. 623.

I am directed to acknowledge the receipt of your letter, No. 191, dated the 11th April 1865, enclosing four Statements of charges in the Public, Judicial, Marine, and Revenue Departments, on account of Salaries, Establishments, and Contingencies, sanctioned by the local Government, within the amount of the Budget grants, during the month of February last, and in reply to communicate the following orders on those Statements.

2. *Statement of charges in the Public Department.*—The charge entered in this Statement should apparently be provided for in the Military Department, if it is required for the conservancy of the Fort, and it is therefore sanctioned, subject to any revision which that Department may consider necessary.

3. *Statement of charges in the Judicial Department.*—With reference to this Statement I am desired to remark that it is not shown that there will be other than occasional work for the Sowrah Interpreter, and accordingly the charge for him is allowed, subject to explanation whether, if he be but occasionally employed as Interpreter, he cannot be utilized for other work in the Ganjam Agency, so as to effect a reduction of some other item. The charge for the Khond Interpreter is allowed.

4. *Statement of charges in the Marine Department.*—As the items contained in this Statement are charged to Port Funds, they call for no remark.

5. *Statement of charges in the Revenue Department.*—This Statement is passed.

Ordered that a copy of paragraph 2 of the above letter, together with the Statement therein referred to, be sent to the Military Department.

Also that a copy of the foregoing, together with copies of the four Statements, be sent to the Accountant General, Madras.
