Proceedings of the Madras Government, Financial Department, 13th January 1865.

No. 47. Proceedings of Government, dated 13th January 1865, No. 31.

His Excellency the Governor in Council proceeds to record the following remarks on the Budget Estimates of the High and Subordinate Courts for 1865-66.

2. No. II, CHARGES FOR THE ORIGINAL AND APPELLATE SIDES OF THE HIGH COURT.—With respect to the item of charge for chobadars, &c., and servants, estimated at Rupees 4877, it is observed that there are altogether 63 of the above class, whose aggregate pay amounts to Rupees 407-7-6 per mensem, or Rupees 4890 per annum. This will be altered accordingly.

3. On the establishment of translators there are four "Clerks below Rupees 50 a month," whose aggregate pay per annum is Rupees 588. The sum of Rupees 600, provided on this account, should, therefore, be reduced to that amount.

4. On the Appellate Side of the High Court, the pay of the translators, from Rupees 50 to 300 per month, is estimated at Rupees 16,560. The correct amount appears to be Rupees 14,880, to which the above sum will be reduced.

5. The Official Assignee's establishment should be transferred to the Original Side of the High Court, and the sum of Rupees 141 per mensem, allowed for Stationery, and which has been omitted, should be provided for in the present estimate.

6. No. III, CHARGES FOR THE SEVERAL LOWER COURTS.—The several alterations to be made in this estimate may be briefly specified, for the information and guidance of the Deputy Auditor and Accountant General.

7. *Combaconum.*—The Budget provision of Rupees 16,800, for six District Moonsiffs, exhibits an excess of Rupees 1200, and should be reduced to Rupees 15,600, which is the correct amount.

8. *Combaconum.*—The establishment of Additional District Moonsiff's Court, Tanjore, being of a permanent nature, should be transferred to the head of "other Courts."

9. *Combaconum.*—There are only six guards on receipt of Rupees 498 per annum. The Budget provision on this account, viz., Rupees 834, should, therefore, be reduced to that amount.

10. *Negapatam.*—There are only 16 Clerks on the establishment of the Civil Court below 50 Rupees, whose pay does not exceed Rupees 4356 per annum. The Budget provision on the above account is Rupees 5208, and exhibits an excess of Rupees 852. A reduction to this extent will, accordingly, be made.

11. There should be only six guards, on receipt of Rupees 498 per annum, on the establishment of the Civil and Session Courts of the Districts noted in the margin; the excess of Rupees 336 in the Budget provision should, therefore, be struck out.

The provision will be fixed at the correct amount, as above shewn.

13. *Trichinopoly.*—Only one Clerk on 15 Rupees a month, or Rupees 180 per annum, having been allowed for the Joint Magistrate's establishment, the excess of Rupees 564 on this account in the Budget provision should be struck out.

14. *Trichinopoly.*—The pay of one Duffadar and a Masaljee and Sweeper, attached to the same establishment, amounts to Rupees 144, while only a sum of 60 Rupees has been provided in the estimate, showing a deficiency of Rupees 84. The correct amount should be entered, viz., Rupees 144.

15. *Malabar (Tellicherry).*—The sanctioned cost of the seven Moonsiffs Courts' establishment in this District amounts to Rupees 742, and that at Wynaad Rupees 34, making in all Rupees 776 per mensem, or Rupees 9312 per annum. The Budget provision on this account is Rupees 9444; the excess of Rupees 132 should therefore be struck out.

22. *North Arcot.*—There are 12 guards on receipt of Rupees 630 per annum, as sanctioned in the Budget for 1864-65. As the present Budget provision exceeds the above cost, by Rupees 336, the excess will be struck out.

23. No. IV, General Estimate of the charges for the several Lower Courts.—The sum of Rupees 15,500, estimated on account of "other items," under the head of "Miscellaneous," is considerably above the actual of 1863-64, and the estimate for 1864-65. It will, therefore, be reduced to Rupees 5000, which the Governor in Council considers to be sufficient.

24. The Agent in Vizagapatam has included in his estimate the increase of Rupees 800, which he has recommended should be made to the salary of the Assistant Agent, but which has not yet been sanctioned. This increase cannot be admitted, and must be struck out. The Budget provision on this account will, therefore, stand at Rupees 8800, as for 1864-65.

25. The estimated outlay of Rupees 10,350, for building a new Court House at Bellary, should be struck out, and included in the Public Works Budget. The necessary communication will be made to that Department on the subject.
