Proceedings of the Madras Government, Financial Department, 3rd July 1865.

No. 3. Read the following letter from E. H. LUSHINGTON, Esq., Secretary to the Government of India, to the Accountant General, North-Western Provinces ; dated Simla, the 9th June 1865, No. 682.

In reply to your letter, No. 5358, dated 21st April 1865, inquiring whether the assets of Local Funds may be deposited in Local Banks, I am directed to inform you that there can be no question that the assets of Local Funds, that is, those for which the Local Government, or District, or other Government Officers, are in any way responsible, should be lodged in the Government Treasuries.

2. As regards the Municipal Funds, however, it is believed that the manner in which they are to be kept is always prescribed either in the Act under which the Municipality is constituted, or in the Local Rules passed by the Local Government, in accordance with law.

3. I am also to request that you will furnish this Department with full information regarding the powers of the Agra Municipal Commissioners in the disposal of the proceeds of the Agra Bridge of Boats, to enable Government to decide whether the proceeds should be deposited in the Public Treasury.

Ordered that a copy of the above be forwarded to all the Local Governments and Administrations for report, whether the practice in regard to Municipal Funds, as mentioned in the 2nd paragraph of this letter, is followed in all cases.
