Proceedings of the Madras Government, Financial Department,
28th July 1865.

Read the following papers :—

No. 55. From Major C. H. DRURY, Acting Controller of Military Accounts, Fort Saint George, to Colonel H. MARSHALL, Secretary to Government, Military Department, Fort Saint George ; dated 12th July 1865, A.

I have the honor to request you will submit, for the favorable consideration of Government, the accompanying letter* of the Acting Military Accountant, applying for the immediate addition to his establishment of two Gollahs, on Rupees 7 each.

* No. 636, dated 29th June 1865.

2. It will be observed that the duty for which these Gollahs are required was performed in the Accountant General's Office by watching Peons on his office establishment.

3. The four Peons transferred with the Military Accountant's Office establishment are, I am aware, barely sufficient for the daily duties of the office, in and out of doors, leaving none for night work.

4. I would, however, suggest that, in lieu of the Gollahs, two Peons, on Rupees 7 per mensem, be temporarily added, so that the establishment of Peons should take their tour of night duty alternately, until final instructions are received regarding the status of the Military Accountant's Office, under the modifications now contemplated by the authorities in Bengal.

From Major T. GILLALAN, Acting Military Accountant, to the Controller of Military Accounts, Fort Saint George ; dated 29th June 1865, No. 636.

Adverting to the Order of Government in the Financial Department, No. 277, dated 6th June 1865, forwarded with your letter, No. 183, dated 13th idem, I have the honor to report the transfer of my establishment to the premises vacated by the Civil Paymaster and his establishment.

2. You are aware that the number of Peons attached to this office has always been found barely adequate to the duties required of them ; they are now four in all. A few months prior to the separation of this office from that of the Accountant General, this had two watching Peons, otherwise called Gollahs, for guarding the office alternately ; these, however, were dispensed with, on the recommendation of the Accountant General, Mr. Harrison.

3. In its former position, there was little or no necessity for the employment of such men separately for this office, as the whole of the building was guarded by the men attached to the Accountant General's Department, five in number, who are expressly employed for the purpose.

4. Mr. Donald, late Civil Paymaster in charge, has expressed his inability to spare any of his seven men, on the grounds that their number is not more than sufficient for the requirements of his office.

5. Under the above circumstances, I have the honor to request you will obtain the necessary sanction of Government for the employment of two Gollahs, each on 7 Rupees, from the commencement of next month. The prescribed Tabular Statement is herewith forwarded.

Referred, through the Financial Department, to the Accountant General, for report as to whether any reduction can be made in the number of Peons attached to his establishment, which was recently increased by seven from the Office of the late Civil Paymaster.

2. It is observed that the duty for which the Military Accountant applies for two Peons is not a service hitherto unprovided for, but one which devolved on the Peons of the Civil Paymaster's Office before their transfer to the Accountant General's Office ; and as those Peons have not now the duty of watching their office by night, there is no apparent reason why the number required for that purpose by the Military Accountant should not be obtained by a corresponding reduction in the establishment which has been relieved of the duty.

FORT SAINT GEORGE,
20th July 1865.

(Signed) H. MARSHALL, Col.,
Secretary to Government.

Proceedings of the Madras Government, Financial Department,
28th July 1865.

Forwarded to the Accountant General for report, in reference to the Endorsement in the Military Department.

(Signed) C. G. WALKER,

21st July 1865.

No. 56. From F. LUSHINGTON, Esq., Accountant General, Madras, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated 24th July 1865, No. 42.

Statement Department.

When returning the papers forwarded with endorsement of the Under Secretary to Government, dated 21st instant, I have the honor to state, that I am informed that only one Peon was employed in the late office of the Civil Paymaster for watching Premises at night.

2. Under the new organization of the Financial Department, by which the duties of the Civil Paymaster are divided between the Deputy Accountant General and the Examiner of Claims, and from the experience of the officer in charge of these departments during the present month, I do not think that any of the seven Peons attached to the abolished office can be spared, as the officers above named will, I consider, require between them that number for day work alone.

3. The Deputy Accountant General, from the position in this office of his business room and the locality of his establishment, will not find five Peons more than he] requires, and I am of opinion that two Peons are the fewest that should be attached to the office of the Examiner of Claims. I cannot spare any of those on the strength of the Accountant General's Establishment to do duty under either of the officers above named, as I am already under-handed as regards Peons.

No. 57. ORDER THEREON, 28th July 1865, No. 360.

Communicated to the Military Department, in reference to its Endorsement of the 20th instant.
