Proceedings of the Madras Government, Financial Department, 2nd August 1865.

No. 3. Read the following letter from F. LUSHINGTON, Esq., Accountant General, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated 26th July 1865, No. 71.

Budget and Finance Department.

I have the honor to bring to the notice of Government, that the charges noted in the margin were disbursed as an advance during the year 1864-65, and are now remaining unadjusted, for want of provision in the Budget Estimate for that year. To enable me to effect an early adjustment of the out-standings, I have to request that, as there are no savings in the Budget Grant under the head of "Mint," the sanction of the Government of India may be obtained for a transfer of grant of Rupees 83,000 from "Police."

I am directed by His Excellency the Governor in Council to transmit to you a copy of a letter from the Accountant General, and to request that the sanction of the Government of India may be obtained for a transfer of grant of Rupees 83,000 from "Police" (there being no savings under the head of "Mint"), in order to enable that officer to effect an early adjustment of out-standing advances for defacing uncurrent Copper Coins, &c., during the year 1864-65.
