Proceedings of the Madras Government, Financial Department, 7th August 1865.

No. 14. Read the following letter from R. COLE, Esq., Principal Inspector General, Medical Department, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George ; dated 29th July 1865, No. 221.

With reference to paragraph 8 of the Accountant General's letter printed in the Proceedings of Government as per margin, I have the honor to bring to the notice of Government that I pointed out to that officer, in view to the necessary correction being made, that the "Inspector General of Hospitals" has no controlling authority over the "contingent" or other charges of Dispensaries or the Vaccine Department. The Vaccine Department is now under the immediate control of the General Superintendent, and the Dispensaries under Deputy Inspectors General of Divisions, and both these officers communicate direct with the Head of the Medical Department.

Financial Department, No. 321, 29th June 1865, forwarded with Proceedings Public Department, No. 703, dated 4th July 1865.

2. The Accountant General, in reply, suggests that I should "apply to Government to "appoint the Deputy Inspectors General of Hospitals of Divisions, and the General Superintendent of Vaccination, as controlling authorities of the contingent charges appertaining to Dispensaries and the Vaccine Department respectively." I beg to point out that the Deputy Inspector General supervises not only Dispensary charges, but all Medical charges of Collectors' establishments, and Police Hospitals within the Division. The amendment I would propose, therefore, in the Accountant General's letter referred to, and which I would recommend for adoption, is that—

Deputy Inspectors General should supervise all Medical charges of the Division (except Vaccine) connected with Dispensaries, Collector's establishments, Police, &c., &c.

General Superintendent of Vaccination, all Vaccine charges.

No. 15. ORDER THEREON, 7th August 1865, No. 376.

His Excellency the Governor in Council approves of the amendment proposed in the latter part of the foregoing letter, as regards the controlling authorities upon whose audit all Medical and Vaccine charges will be passed in the Treasury accounts, and directs that the Accountant General will give effect to the change now sanctioned.

(True Extract).

Chief Secretary.

To the Principal Inspector General, Medical Department,
" Accountant General.

OFFICE OF PRINCIPAL INSPECTOR GENERAL, MEDICAL DEPARTMENT,

Fort Saint George, 29th July 1865.

From

Robert Cole Esqr

Principal Inspector General, Medical Department,

Fort Saint George,

To

The *Secretary to Government, Financial Dept.,*

Fort Saint George.

SIR,

With reference to para 8 of the Accountant General's letter printed in the Proceedings of Government as per margin, I have the honor to bring to the notice of Government that I pointed out to that officer in view to the necessary correction being made, that the "Inspector General of Hospitals" has no controlling authority over the "contingent" or other charges of Dispensaries or the Vaccine department. The Vaccine department is now under the immediate control of the General Superintendent, and the Dispensaries under Deputy Inspectors General of Divisions, and that both these officers communicate direct with the Head of the Medical Department.

Financial Department No. 321. 29th June 1865 forwarded with Proceedings public Department No. 703 dated 4th July 1865.

2. The Accountant General in reply suggests that I should "apply to Government "to appoint the Deputy Inspectors General "of Hospitals of Divisions, and the General

Superintendent

"Superintendent of Vaccination, as controlling
"authorities of the contingent charges ap-
"pertaining to Dispensaries and the
"Vaccine department respectively." I beg
to point out that the Deputy Inspector
General supervises not only Dispensary
charges, but all medical charges of
Collectors Establishments_____and
Police Hospitals within the Division. The
amendment I would propose therefore
in the Accountant Generals letter referred
to, and which I would recommend for
adoption, is that

Deputy Inspectors General should
supervise all medical charges of the
Division (except Vaccine) connected
with Dispensaries, Collectors Establishments,
Police &c &c

General Superintendent of Vaccination
all Vaccine charges.

I have the honorable
Sir,
Your most obedt. Servant,

Robt Lyle

Principal Supt. General
