Proceedings of the Madras Government, Financial Department,
25th October 1865.

No. 40. Read the following letter from the Accountant General, to the Chief Secretary to Government, Fort Saint George ; dated 21st October 1865, No. 133.

Correspondence Department.

I have the honor, with reference to Government Order, No. 483, dated 13th instant, to observe that the Manual compiled by Y. Vencataramiah contain not only all the rulings of the Financial Department, necessary for the correct preparation of the Budget Estimate, but much useful information besides, regarding the new classification of the receipts and disbursements, as well as instructions respecting the movements of funds. It is very desirable, therefore, that every Officer who has to render a Budget Estimate to Government should be furnished with a copy of the compilation, and I am of opinion that three copies should be sent to each Collectorate.

2. As I considered that one thousand Rupees would not more than suffice to cover the printing and other charges, and at the same time afford adequate remuneration to Y. Vencataramiah for his labor and trouble, it was my intention to recommend to take 200 copies at 5 Rupees each. Y. Vencataramiah preferred placing a lower price on the work, and asking Government to take a greater number of copies. The sale of a large number of copies of the work to the public, notwithstanding it being a Text book, is extremely doubtful, and Y. Vencataramiah is unwilling to incur the risk of publication unless guaranteed against loss.

3. I beg to annex a Memorandum showing the manner in which at least 200 copies of the Manual might, with advantage, be distributed.
