Proceedings of the Madras Government, Financial Department,
11th November 1865.

No. 24. Read the following letter from the Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George; dated Simla, 23rd October 1865, No. 3045.

With reference to the Statement of Fresh Charges and alterations on account of Salary, Establishments, and Contingencies, sanctioned by the Madras Government within the amount of the Budget grants, during the month of November 1864, I am desired to observe that the sanction by the Government of Madras of increase of 50 per cent. to the pay and allowances of certain members of the Public Works Department in Wynaad was irregular, and any fresh case of the kind should be sent up to the Government of India for previous sanction. The Governor General in Council confirms, however, as a special case, the sanction given by the Madras Government to this charge, as well as to the increase of salaries of the two apprentices attached to the Public Works Store Department.

Copy of this letter sent to the Public Works Department, for information, with reference to Office Memorandum from that Department, No. 1654E, dated the 13th October 1865.

No. 25. ORDER THEREON, 11th November 1865, No. 527.

Communicated to the Public Works Department, in continuation of the Proceedings of Government of the 13th July last, No. 334.
