Proceedings of the Madras Government, Financial Department, 19th December 1865.

No. 28. Read the following Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Honorable the Governor in Council, Bombay; dated India Office, London, 22nd September 1865, No. 73.

I have considered in Council your public letter, dated the 23rd June last, No. 26, forwarding copy of a letter from the Secretary to the Bombay Civil Fund, reporting that Mr. Satyendra Nath Tagore has declined to avail himself of the option of withdrawing from the Provident Fund, but, having renounced "for himself and his family all the advantages of the "Fund, so far as any claim might otherwise have arisen to those advantages through any infringe-"ment of the rule of monogamy, he has been registered as a subscriber to the Fund, on pre-"cisely the same terms as European Members of the Civil Service.

2. The Secretary to the Civil Fund also states that "Native members of the Service who "may not be Christians will not hereafter be admitted as subscribers to the Provident Fund."

3. In paragraph 4 of my Financial Despatch, dated the 30th November last, it was stated that arrangements would be made for cancelling, so far as relates to Natives of India, the rule which requires that all persons entering the Covenanted Service should subscribe to the Widows or Orphans' Funds. I see no objection, however, to permitting Native Members of the Service who may be Christians to subscribe to those Funds, should they desire to do so, as appears to be proposed by the Secretary to the Civil Fund at your Presidency.

No. 3092.

Ordered that a copy of the foregoing Despatch be sent to the Managers of the Bengal Civil Fund, for information, and also to the Government of Madras, for communication to the Managers of the Civil Fund in that Presidency.
