Proceedings of the Madras Government, Financial Department,
28th January 1865.

No. 88. Read the following letter from W. DONALD, Esq., Chief Assistant, Civil Paymaster in charge, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated 25th January 1865, No. 235.

I have the honor, with reference to Government Order, No. 35, dated 14th instant, to forward, for the approval of Government, draft of the Notification which I intend to publish for the information of the Junior Assistant Collectors, who, being on deputation from their permanent Districts, submit separate Bills for their salary, and of the Deputy Collectors in charge of treasuries, in order that they may prepare their abstracts as the altered circumstances require.

2. The delay in submitting the Notification has arisen from the necessity that existed to refer to old records, of about the beginning of this century, to ascertain whether there was any peculiarity about the grants of house-rent and tentage, before I fixed which item was to be reduced.

The first item here
comes to no doubt

The second "Household

an "Emolument".

The third however
is a contractual

On this ground it is

I do not think
the Act and in-
