Proceedings of the Madras Government, Financial Department, 14th February 1865.

No. 34. Read the following letter from W. DONALD, Esq., Chief Assistant Civil Paymaster in charge, Fort Saint George, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated 17th January 1865, No. 225.

Presidency Department,

I have the honor, with reference to paragraph 2 of G. O. G. G., No. 22, dated the 6th instant, to inquire whether I am right in supposing that Military and Medical Officers holding Civil Appointments, and who have hitherto drawn only ordinary or half batta rate of Regimental allowances, in addition to Civil salary, will not be entitled to the full batta rate of allowances authorized by the G. O. in question.

Republished at page 108 of the Fort Saint George Gazette, of 13th instant.

2. I have the honor further to inquire, whether Medical subordinates, of the grades marginally noted, employed in the Civil Department, are to participate in the increased allowances granted by the G. O. referred to, and, if so, whether their claim to such will be affected when any of them receives extra allowances; as for instance, the Apothecary attached to the Leper Hospital, those who are in charge of Civil Dispensaries, and the Assistants to the Professors in the Medical College.

Apothecary.
2nd do.
Asst. do.

3. I beg further to solicit instructions as to the rate of Military allowances to be passed to Officers who may hereafter be appointed to any of the situations referred to in the 1st paragraph.

4. I make the present reference, in order that this Office may be in a position at once to dispose of all claims that may be made in the ensuing month.

No. 35. ORDER THEREON, 14th February 1865, No. 96.

The Governor in Council is clearly of opinion that Military and Medical Officers holding Civil Appointments who have hitherto drawn only half batta rate of Regimental allowances, in addition to Civil salary, are not entitled to the full batta rate of allowance authorized by the G. O. G. G., under date the 6th January last. Such Officers must be considered to come under the category of Officers holding Staff appointments, who are expressly excepted from the operation of the order in question.

2. The Governor in Council is of opinion that Medical Subordinates, employed in the Civil Department, though not drawing Staff salaries, or extra allowances of any kind, are not entitled to full batta, which is apparently restricted to Officers and men employed with Regiments.

3. Officers who may hereafter be appointed to Civil appointments should be treated in the same way as present incumbents.
