No. 1. Read the following letter from the Accountant General to the Government of Madras, to the Chief Secretary to Government, Fort Saint George; dated 15th December 1865, No. 201.

Book and Adjustment Department.

Adverting to the Orders of Government, marginally noted, in the Financial Department, sanctioning the investment of six lacs of Savings' Bank deposits, I have the honor to inform you, that nearly the whole sum has been so invested in Government Securities numbering nearly 360. It is very desirable to consolidate these Securities; but, for this purpose, a fee of 1 Rupee for every new Bond issued will have to be paid to the Loan Department, and as I have no special fund from which this charge can be met, I request that Government will be pleased to sanction a sum not exceeding (60) sixty Rupees, to be paid as required, on presentation of a Contingent Bill to the Examiner of Claims. The charge may be met from Savings, under 26 Miscellaneous.
