Proceedings of the Madras Government, Financial Department,
25th May 1866.

No. 50. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 18th May 1866, No. 28.

Bond Department.

With reference to Government Order, No. 173, dated 8th instant, I have the honor to state that the Promissory Note alluded to therein has not been brought upon the Registers of this office, and that Messrs R. P. Carr & Co., of this city, have intimated that they do not find, from an inspection of their books, that they drew any interest upon it. The alleged loss of the Note has been communicated to the authorities at Calcutta and Bombay, and the Accountant General of the latter Presidency informs me, in a letter dated 8th instant, that the Note was enfaced in his office on the 7th July 1863, for payment of interest on London. This shows that the Note has not since been presented at Bombay; and if, as stated in the correspondence which accompanies the above Government Order, it has been last enfaced in England for payment of interest at Madras, the action taken by this office is sufficient to prevent such payment being made to a wrong party.

No. 51. ORDER THEREON, 25th May 1866, No. 208.

Ordered that a copy of the foregoing letter be forwarded to the Right Honorable the Secretary of State for India, with reference to his Despatch of the 31st March last, No. 30.
