Proceedings of the Madras Government, Financial Department,
30th May 1866.

No. 52. Read the following letter from Mr. T. ROSS, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 23rd May 1866.

I, the undersigned, the son of the late Mrs. Anna Ross, most respectfully solicits to bring my unfortunate case to your kind notice, and to state that my late mother, during her life-time, had deposited in the Government Savings' Bank the sum of Rupees 521-6-2. After her demise, in March last, I endeavoured to draw the sum at her credit in the Bank, but was prevented from doing so, and was given to understand that it would be necessary for me to produce a Letter of Administration, or Probate of her Will. I, therefore, avail this opportunity to request that, considering the heavy expense that will attend of obtaining either of the documents above referred to, the extent of which the sum in deposit will be reduced by the adoption of such a course, the smallness of the sum in deposit, as also the several orders passed by the Government for the payment of sums far greater to the one at my late mother's credit, you will be kindly pleased to obtain the sanction of Government for the payment of the amount to me, who is the son of the deceased.

For which act of charity and kindness, I shall ever pray.
