No. 860.

Extract from the Proceedings of the Government of India in the Financial Department, dated Simla, the 7th June 1866.

READ Endorsement from the Home Department No. 509, dated the 2nd ultimo, forwarding for consideration and orders a letter from the Government of Bombay proposing, in modification of existing rules, that when an Officer is transferred from one appointment to another on promotion, he should be re-imbursed the amount by which his travelling expenses exceed the difference between the salaries of his old and his new appointments for the first month.

RESOLUTION.—The Governor General in Council observes that the rule proposed by the Government of Bombay appears to be needlessly expensive; but, considering that some modification of existing rules is necessary to meet the cases of officers on small salaries, His Excellency in Council is pleased to decide that when an officer on a salary not exceeding Rs. 400 per mensem is promoted in the natural course of his service to an appointment the salary of which exceeds by only 50 (fifty) Rs. a month, the salary of the appointment from which he is transferred, he shall be permitted to draw travelling allowance at the usual rates.

ORDER.—Ordered that the foregoing Resolution be published in the *Gazette of India*, and communicated to the—

Home Department, the original letter received from that Department under endorsement above referred to being returned;
