Proceedings of the Madras Government, Financial Department,
12th July 1866.

No. 15. Proceedings of Government ; dated 12th July 1866, No. 262.

A stationary engine, to drive the pumps which have been lately set up to supply the Government House at Guindy with water, being greatly needed to replace the small portable engine which is found unsuited to the work, and it being understood that such an engine as is required can be spared from the Mint, the Right Honorable the Governor in Council authorizes its transfer from that establishment to the Public Works Department.
