Proceedings of the Madras Government, Financial Department,
14th August 1866.

No. 27. Read the following letter from the Secretary to the Government of India, to the Accountant General, Bombay; dated Simla, 21st July 1866, No. 1476.

In reply to your letter, dated 30th June 1866, I am directed to state that, when an Uncovenanted Servant obtains leave under the rules promulgated in Financial Notification, dated 13th April 1864, his pension is computed upon the full pay of the substantive appointments held by him during the five years preceding his retirement, notwithstanding that his periods of absence during those five years are excluded from the calculation of the period qualifying for pension. But the period of absence on private affairs on leave without pay, must be thrown out from the monthly average of the five years' pay upon which pension is computed, the intention in Financial Resolution, No. 542, dated 4th June 1864, being that such periods of absence should in no way contribute to claims to pension.

Ordered that the foregoing letter be communicated to the several Secretariats, to the various Local Governments and Administrations, the Comptroller General of Accounts, and the Local Officers of Account in the Civil Department.

Asst. Secy. to the Govt. of India.
